

Kære Gæster!

Det er mig en stor glæde her ved Avlsforeningen for New Forest Ponyer i Danmarks 50 års jubilæumsfest at kunne præsentere 5 nye æresmedlemmer.

Dear Guests

It is a great pleasure for me under this jubilee banquet to present 5 new honorary members of the society.

Disse er:

Else Klinge, Danmark

Dionis Macnair, England

Gill Wright, England

Thea Scholtens-Moerkoert, Holland

Henk Schoone, Holland

Kære Else.

Vi vil gerne påskønne din store indsats for foreningen i dens spæde start, hvor du bl. A. som sekretær ydede et kæmpe arbejde. Endvidere var dine ponyer fra dit stutteri Rosenholm starten for mange nye avlere blandt dem Eskehøjgård.

Hjertelig tillykke!

Dear Dionis

We want to night to appreciate your fantastic work for The New Forest pony trough many many years. For decades you were honorary secretary for the New Forest Pony Breeding and Cattle Society and all treads were gathered in your office. Your knowledge about the New Forest and the ponies there are unique and your Beacon ponies are known worldwide. You have always been very helpful to people from abroad and we enjoyed to have you judging in Denmark several times.

Congratulations

Dear Gill

You are third generation of New Forest pony breeders and your stud Burley have done very well. As chairman for the society you have contact with many breeders at home and abroad. We know you burn for the forest and the ponies.

Congratulations

Dear Thea

We want to appreciate that you for rather many years have been judging both stallions in the spring and mares in summertime here in Denmark and are very happy to appoint you as honorary member of the Danish society. With your experience of many years breeding we feel that our ponies are in good hands having you in the show ring.

Congratulations

Dear Henk

We are very happy to appoint you as honorary member of The Danish New Forest Pony Breeding Society. You have trough many years been a profile in New Forest pony breeding both in Holland and outside. Your stallion book is a great pleasure to read and shows a great interest for and knowledge about the New Forest ponies. We have also followed your “fight” to keep the New Forest pony a really pony and not a small sport pony.

Congratulations
